

Family First-Aid Kit

Quick! These first-aid kits are easy to decorate and put together. Make several and keep them handy at home and in your car.

Supplies:

- Upcycled Cardboard Box
- Crayola Glue Stick
- Crayola Markers
- Crayola Construction Paper
- Crayola Scissors

Steps:

1 You never know when you might need a first-aid kit. Keep one handy wherever you go. Here's a quick way to decorate a clean, recycled box for your first-aid items.

3 Write important phone numbers and safety reminders inside the lid.

2 With Crayola® Scissors, cut construction paper to cover a box with a lid. Attach the paper with a Crayola Glue Stick. On the box, draw and color large bandages and other first aid symbols with Crayola Multicultural and Washable Markers.

4 ASK AN ADULT to help you place suitable first-aid items in the box.
